

HOMEWORK #20 (due start of class March 6)
(copyright D. McCarthy)

LEARNING GOALS for this assignment:

1. To continue your review, and practice, of important concepts from the first half of our course.

TO RECEIVE FULL CREDIT:

1. Staple multiple pages and identify yourself by Star Name (worth 5 points!).
 2. You must **show how** you derived your answer by writing all the logical steps that led you to it. Follow the format of the “Homework Example” on our Web site.
 3. All sentence responses must use complete sentences. You may handwrite any arithmetic. Use good English grammar.
-

Continue Exam #1

Please finish any four problems you did not choose during Wednesday’s exam.
You should not spend more than three hours on this homework.
